District Superintendent's Report

Marion School District Seven takes great pride in the accomplishments of its students and staff during the 2009-2010 school year. It is through a competent and caring staff, the hard work of students, and the support of the parents that students continue to improve academically and develop into contributing members of our nation, state, and community.

The school district continued to focus on implementing our ambitious goals set by our district strategic/accountability plan and our school-based site plans. Business and community members joined together with parents, teachers, and staff to establish these goals. These plans are developed to ensure our students receive the opportunity to attain the best possible education with the resources available.

District Seven is indeed fortunate to have highly-skilled, qualified staff members. Over 70 percent of the professional staff has earned degrees above a bachelor's degree. Teachers and administrators continually strive to expand and enhance their skills through graduate courses, study groups, collaboration with peers, and activities sponsored by the Center of Excellence to Prepare Teachers of Children of Poverty, Pee Dee Education Center, and professional organizations.

Through cooperative, supportive efforts of the community, parents, and staff, our students will achieve at high levels in the classroom and as adults. By staying focused on what is best for our students, District Seven will continue to provide opportunities to attain a quality education.

We welcome your input and participation in all aspects of the educational process. Your support and cooperation to ensure student success is appreciated!

Everette M. Dean, Jr., Ed. D.
